MARCH • 2012

## CRU EAT. SAVOR. ENJOY.

As Grand View Lodge's newest dining venue, Cru features worldly wines and nightly chef creations. Specializing in small plates, Cru showcases local and regional flavors. To ensure availability, call 218-963-8756 or ext. 1191 for reservations.

## BOOT CAMP FITNESS CLASSES

Join our instructor for this unique and popular exercise. These classes consist of a short warm up run, then exercise with natural resistance and body movement. Sit ups, push ups, and beach lunges are some of the exercise you can expect. Come down and check it out.

## YOGA

Join us for some morning yoga. Our instructors will take you through many different poses and we will cater to any ability level. You will even get a workout on your vacation and be mentally prepared for a weekend full of relaxing and playing.

## THE PINES WINTER RECREATION CENTER

Now Open! Still need to work on your golf swing? Want to go snowshoeing, dogsledding, cross country skiing? Head over to the Pines, take some swings in our simulator, or just hang out playing pool or darts.

A great winter fun center for the family.

## BINGO

There's nothing like a game of Bingo to bring family and friends together for a night of fun. Join us every Friday night at 6:00pm in the Oak Room for several versions of the classic game.

Cards are \$2 each and a cash prize is given out to the winner of each game and the amount increases each round.

Experience unique versions of the game, like an intense round of "Stand-Up" and a humorous game of "B.O. Bingo." You won't want to miss out on all the laughs and excitement!

## FAMILY FUN CENTER

Grand View's Norway Center is the place to be for kids both young and old. Complete with a bounce house, bungee run, football toss, golf chipping, Wii Rock Band and more, the Family Fun Center is open daily, 11am - 7pm, and has something for everyone.

The teen lounge is located in one of the adjoining rooms in the Norway Center, provides a great "get-away" for the 13+ group. Sports shows and video games in the main room are available, while their little brothers and sisters bounce around in the blow-up castle. And for the dads, an area is set up where you can watch the NCAA playoffs.

Snacks and beverages are also available upon cash purchase.

## DIVE-IN MOVIE

Join the Recreation team for this favorite pastime. Float on your own inner-tube with your friends and family while watching a movie on the big screen. Pizza and popcorn available, and inner tubes are provided.

## WATER PARK

"My kids aren't fans of the slushy spring melt going on outdoors," you say? Grand View Lodge has a rockin' indoor water park.

Complete with a 110 foot waterslide, connecting swimming pools, two hot tubs, fountains and water guns, kids young and old are sure to stay entertained for hours. Additional water toys are also available at the pool desk.

Order some pizzas and pop and feel free to bring your own cooler of adult beverages (no glass) and enjoy some adult conversation while the kids rip it up in the pool.

## DISC GOLF

We may not have any pins left on the Pines but we have transformed our beautiful golf course into a disc golf course just for you. Head over to The Pines and play disc golf on our Woods 9!! This is a great event for family and friends. When you are finished with your round, head back to the Pines Winter Recreation Center for refreshments.
