## CANCELLATIONS

If you must reschedule or cancel your appointment, please notify us at least 48 hours in advance to avoid being charged the full treatment price.

*Prices effective April 27, 2018.*

*All prices and service offerings subject to change without notice.*

*Some services are subject to Minnesota state sales tax.*

## HOW TO SPA

*Demand for spa services is high, especially on the weekends and holidays. We highly recommend appointments be made several weeks in advance. Resort guests are encouraged to make spa appointments at the time lodging is reserved to ensure desired service times.*

**Arrive Early** Please arrive at least 20 minutes prior to your first appointment in order to change into your robe, complete paperwork and relax before services. Guests wishing to shower or use the steam room or sauna prior to services, should allow additional time. Should you arrive late, your service(s) will be modified and end at the originally scheduled time.

**Medical Conditions** Upon arrival at the spa, you will be asked to complete a questionnaire. Please note any medical conditions on this form. Your service provider will review the form with you, prior to your service, to determine appropriate service modifications. Please let the spa know when booking your services if you have significant medical conditions, that would be beneficial to be aware of in advance. If you have any concerns about whether you should have any service, please check with your physician prior to booking your services.

**Electronic Devices** Phones, cameras and other recording or electronic devices are not allowed in the locker rooms or treatment rooms. We request all cell phones be turned off while in the spa. The spa is intended to be a quiet and relaxing environment for all guests.

**What to Wear** Unless you are leaving the spa to go out for the evening; wear comfortable, loose fitting clothes. Lockers, plush robes, sandals, towels, amenities and hair dryers are provided. We strongly encourage you to leave all jewelry and personal belongings at home.

**Disrobing** Please disrobe to your comfort level. Traditionally, most resort spa services are performed wearing no clothing. All of our service providers are highly trained professionals who will cover and drape you to ensure your privacy.

**Gender Preference** Please inform us when booking your appointments if you have a gender preference for your therapist. Please note that this might limit the availability of your service.

**Pregnancy** Please inform the front desk when making your reservations and your service providers the day of your services if you are pregnant so we can customize your service for you and your baby.

**Age Restrictions** We encourage our younger guests to experience spa services within a few guidelines. Any guest under the age of 16 must be accompanied by a parent or guardian while in the spa. If a guest is under the age of 16, we require Parental Consent prior to any service other than nail services. Guests 13 and under receiving skin care services, or guests 14 and under receiving any body service, will require a parent or guardian to be in the treatment room.

**Food & Drink** We provide light refreshments and spa snacks in our relaxation room. Outside food and beverages are not permitted.

**Gratuities** Gratuities are not included in the service fee. If you have had a wonderful experience, feel free to leave gratuities for your service providers. If you are not sure how much to tip, our front desk staff will be happy to provide guidance on gratuity standards.
