

WINTER GOLF INSTRUCTION

Don't let the Winter season keep you from improving your golf game and learning from professionals. Now is the time to sign up for your very own golf lessons through golf simulators in The Pines Clubhouse. Join Logan Jackson, one of The Pine's Teaching Professionals, between November 1st and April 1st 2020 for your very own private lesson(s).

The Pines Winter Golf Instruction program will utilize both Flight Scope launch monitor technology, and Foresight golf simulators, as well as V1 video, to analyze and assist in improving your game. Put that together with real clubs, real golf balls, and real training talent—your golf game will be in mid-summer form come Spring of 2020.

Lessons will be by appointments only.
